April Tour Summary

Due to an unfortunate power outage, the tour to C&A Tool in Churubusco had to be canceled. FWEC will keep this on the potential agenda for the FY2026 tour season. Thank you for those that played a part in arranging this tour and attempting to make it work up until the last minute.

FWEC Communications Coordinator Opening

FWEC has created a role of Communications Coordinator to be paid \$500/year. This would be to check the Club's e-mail once a week, assemble the newsletter 8-9 months per year using

items provided by other people, and change the website to be current with the newsletter. No experience necessary. We have quickly trained each other as needed over the years, and the abilities could be useful for other associations or purposes. Please contact Ryan Stark at info@FortWayneEngineersClub.org.
