## Club News

Welcome back to the start of a new year for the FWEC! Due to uncontrollable factors, we've had to change up the start of our September tour season. For that reason, we are a bit behind on sending out the updated news. The board is working hard to secure the events for this year and we are looking forward to your participation and input. See below for the upcoming event and new news for the year.

## September Tour

# Raytheon

**When:** Sep. 26, 2024 @ 5:30 p.m.

**Where:** 1010 Production Rd., Fort Wayne IN 46808

**Details:** For security reasons, the club will not be participating in a physical tour of the company. A representative of the company will address the group regarding the company and attendees will have an opportunity for questions and answers. In addition the FWEC will be doing a short presentation to showcase what the club stands for to potential members from the Raytheon company.

WOMEN IN TECH WEEK

## Celebrating Women IN Tech

Women IN Tech Week NEI 2024 is from September 15-22, a whole week dedicated to uplifting and encouraging women in technology across Northeast Indiana. This special week features [a variety of events](#), including a brunch recognizing women in tech, a family-friendly job fair,

business tours, and job shadows for students. Other events include workshops, seminars, tech showcases, kids STEM activities, and more! [View event sponsorship opportunities here.](#)

- Kickoff Brunch (September 15): Start the week with brunch, a panel discussion with local women in tech, and networking opportunities. [Get your tickets here.](#)
- Family-Friendly Career & Resource Fair (September 21): Explore career opportunities, engage in mock interviews, and participate in resume reviews. Plus, enjoy hands-on STEM activities perfect for kids and teens. [Register for free here.](#) Exhibitor/vendor tables for the fair are free, but space is limited, so contact [info@fortwaynetech.org](mailto:info@fortwaynetech.org) to reserve your spot!
- We're inviting local businesses, educational institutions, and community organizations to celebrate Women IN Tech Week by hosting their own events. Consider organizing business tours, job shadows, workshops, seminars, or networking happy hours. We will feature these on our website.

## General Club Info

Fort Wayne Engineers Club dues are \$0. Donations are welcome but strictly voluntary. In recent years, club funds have helped support Discover-E, the Regional Science and Engineering Fair, annual bridge building contests in schools, academic awards, networking events, mentoring, our website, and facilitating free tours.

Please see [FortWayneEngineersClub.org](http://FortWayneEngineersClub.org), [LinkedIn](#), or [Facebook](#) for updates on current Club

activities, other news, and past newsletters.

Those participating in activities or hosting tours through FWEC do so strictly at their own risk, including disease exposures. Participation in club events is voluntary, free, nonprofit, and solely for the benefit of participants and the community at large. Anyone with an interest may participate unless restrictions are specified for specific events, such as minimum age or minimum safety attire.
